Letter from the SECA Advisory Board and Charity Representatives

Fellow Illinoisan:

Whether you are an active employee or a retiree we want to thank you for considering a gift through the annual SECA campaign. SECA allows you to give to charity either through annual payroll deduction or by writing a one-time check. You simply fill out a form indicating the amount you want to give, who you want to give it to, and turn it into your SECA ambassador. It's rather effortless, but very meaningful.

State and University employees have been doing this for over 30 years and countless charities have received millions of dollars through our combine efforts. In today's economy many people have greater needs. Those who are living on the margins have an even greater need that our gifts can help fill. Your gift remains local and funds projects in our own backyard. In truth, the only hard part in giving may be narrowing your choice of charities from among all the qualified contenders listed in this booklet.

Thank you in advance for your careful and generous consideration of participating in the SECA campaign this year. As one united State, we can truly make a difference and show the great people of Illinois what amazing thing we can all accomplish to help each other....paying it forward to those most in need! All the gifts that come in from state and university employees and retirees truly add up to making a huge impact on society.

We cannot say it enough: Thank you, Thank you, Thank you!

Sincerely,

SECA Advisory Board
and Member Charities

For more information call (312) 795-3740; www.earthshareillinois.org

EarthShare Illinois is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of global warming;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 19 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, figure skating, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, speed skating, tennis and volleyball. They are then eligible to participate at one or more of the 175 separate competitions held each year at the local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society's overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the over 22,000 Special Olympics athletes, and additional 22,000 Young Athletes (between 2 and 7), who benefit from this truly unique programming to train and compete in the state of Illinois

THE UNITED NEGRO COLLEGE FUND — Code 900-0000

America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities — who will be a majority of the population by 2050—get the help they need to attend college and graduate.

Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 70 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 38 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it's the right thing to do. And because, "A mind is a terrible thing to waste.®"

In communities across Illinois, local United Ways are advancing the common good by addressing the needs of your community.

Local United Ways operate independently, bringing together people and organizations to identify, assess and address your community's health and human service needs. Each United Way is led by local volunteers and works to meet the immediate needs of families while developing long term solutions based upon the priorities of your community such as: Education, Income and Health – the building blocks for a good quality of life.

Each United Way is a partner in change, delivering measurable results by working with the people who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer. That's what it means to LIVE UNITED.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions.

Where local United Ways list member agencies with a 7 digit SECA code, the donor's directed contribution is automatically sent to the selected agency.

Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's Community Fund and volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To find out more about United Way, log on to United Way Worldwide's website at www.liveunited.org.
To find out more about your local United Way, visit the link in their individual listing.

Join your friends and neighbors and LIVE UNITED by supporting your local community.
